ISSUE:2 WEDNESDAY 27TH SEPTEMBER 2023

## Welcome Back!

Dublin Raiders **D1 Men's team** had a couple of pre-season matches vs Leixlip Zalgiris 2 over the past week. They lost the away match (73-64), but triumphed in the home match (69-64). The team got a great workout in both matches with the full squad getting the chance to contribute.

Dublin Raiders D1 Men's team will be playing their home matches in the Pres Bray gym throughout the season mostly on Thursday nights. Tip off is at 8.20pm & all club members are encouraged to drop in & support the team!

Dublin Raiders will also be entering their men's & women's teams in to the Basketball Ireland Development Leagues this season. Raiders will host teams from all over the country throughout the season & we hope to get big crowds out to support our teams

Dublin Raiders competitive matches started this week with our **D4 Ladies** playing at home against Tridents. The ladies stepped up and started as they mean to continue with an impressive win of 53 -27.

This game was also the first game this season in the DLBB league with Dublin Raiders being the first club to successfully use the NBN23 digitalised score. Well done to Eleanor Hosey for all her hard work setting up the system
