

Last Week in Raiders!

DUBLIN RAIDERS CLAIM THE DOUBLE!

All roads led to the National Basketball Arena on Friday night when our D1 Ladies and D1 Men claimed great wins in their BIDL Plate Final matches.

First up were our Ladies who faced local rivals Meteors. Meteors Rachel Rice free throws got the scoring underway, before Mia McEntee and Ally McGrath exchanged threes to have Meteors 5-3 up 90 seconds in. The first quarter was neck and neck with Meteors marginally in front by the end of it, leading 20–17.

Meteors kept their lead early in the second quarter, before a pair of Gaffney free throws put Dublin Raiders in front and Raiders didn't relinquish this lead after that. Two converted McGrath free throws saw Meteors within a point 29–28 with a little over four minutes to go, before a five point run from Gaffney stretched Dublin Raiders advantage and they never really looked back after that. Raiders were 43–33 up by half-time with Gaffney scoring an impressive 20 points.

Dublin Raiders built on their lead in the third quarter, outscoring their opponents 27-12 with Ella Broderick scoring all of her points in this quarter, with three converted from the three point line. Dublin Raiders now had a healthy 70-45 lead going into the final quarter.

Meteors to their credit closed the deficit in the final quarter, but never looked like overhauling their opponents, Dublin Raiders' cushion meant they closed it out comfortably winning 78-64.

It was no surprise to all those who watched the game, that Raiders Taylor Gaffney was award MVP with an impressive tally of 28 points.

Congratulations to all the players and Coach Ed on a wonderful achievement and one which we hope the team can build on for the semifinal DLBB match against Killester.

Next up were our DI Men who faced Mayo Meteors in their final which turned out to be a high quality, fast paced game. There was nothing between both sides throughout the first quarter, with the score 28 apiece at the end of it.

The second quarter followed a similar pattern, with Mayo Meteors taking an early lead of seven points, 46–39.

However, by the end of the quarter, Raiders had closed this gap to three, 50-47, thanks to Andy Bartley's jump shot with the last play of the half.

The third quarter started with Mayo stepping up and dictating the play, taking the lead 62-56 with three and a half minutes to go. Yet again, Dublin Raiders dug deep to bring bring it back level 62-62, with back-to-back threes by Goderdzi Patsia. Raiders kept their foot on the gas securing a six, point lead 69-63, at the the end of the quarter, helped by a Shane Davidson buzzer beating three.

Mayo Meteors didn't throw in the towel and turned it around early in the fourth quarter taking the lead 73 - 70. However, five points from Raiders Shane Byrne, had Dublin Raiders marginally ahead 78-76, with four and a half minutes to go. The final minutes of the game was tight with fans not knowing which way the result would go especially after Mayo brought it to within 2 points. Raiders kept up the pressure resulting in Mayo getting into team foul trouble which Raiders capitalised on, winning the match 83 - 78.

It was no doubt a tough decision for Basketball Ireland to choose the games MVP as a number of Raiders players stood out. However, it was sharp shooter Shane Davidson who picked up the prestigious award.

Dublin Raiders head coach, Sean Ingle, said: "The lads pulled it out down the stretch, Mayo were unbelievable in the first half, hitting shots left, right and centre, so we spoke about it at half-time and concentrated on the defensive end, it's been a problem for us all year, but we know we're capable of locking in and getting stops and really that's what got us the win in the end."

Asked what completing the BIDL Plate double meant to Dublin Raiders, Ingle added: "They have been building the underage system for quite a while, a lot of the guys and girls had to go off, they never had a senior team to play for, and a lot had to go off to other clubs to get that senior level experience, play Super League, they all came back. These lads have worked their way up from Division 5 of DMBB all the way to Division 1 and now to get some silverware at the end of the season, it just means so much to the club and the fans".

DMBB D5 Top 4 Final

What a week for Raiders, first we won the BIDL plate, then on Monday night our D5 Men played in the finals of the DMBB D5 Top 4 against Barrow Rovers.

Raiders supporters didn't disappoint again, turning up in force to cheer on the team & Coach Andrew.

It was a fast and furious game from the start with both teams trading points at each end. The first quarter finished with Raiders ahead by 1 point.

The second quarter continued as the first quarter had finished, fast with some great basketball being played. At half time, Barrow took the lead by 3 points, 25 - 22. The third quarter was a big quarter for shooters on both sides, with lots of 3 pointers finding the net. By the end of the third, Raiders had reclaimed the lead 43 - 45.

Raiders needed a big fourth quarter to maintain this lead and with the help of Raiders supporters cheering on the lads they achieved this. Some great steels in key moments of the quarter and well timed fast breaks were key to Raiders scores. With 1:27 on the clock, Barrow had got into Team Fouls which Raiders capitalised on, the final score 58 - 63.
