This Week in Raiders!

What a first week of league games for some of our teams. Dublin Raiders won eight of the eleven games played. Well done to all our coaches and players on such a successful week – keep up the great work!

Big shout out to our **U14(1) Boys** who had a great win against Templeogue. According to their coaches, Shane & Eleanor, it was a great game from both sides that came right down to the final whistle. They said “all of the lads contributed to the win and have shown serious improvement over the summer”. We are are looking forward to seeing how this team grows over the season with more super results like this.

Congratulations to our **U20 Men** who had a comprehensive win against local rivals UCD Marian, beating them by an impressive 84 – 49. It was reported that it was a fast paced game set by Raiders which Marian struggled to maintain. Hopefully, they can build on this win in preparation for the U20 National Cup.

Well done to our **U13 Girls** who had a brilliant away win to Kubs, beating them 32 – 47, a great start to the season which their coaches Teresa & Leah intend to build on. Well done girls. Our **D5 & D4 Ladies** were in action this week, both clocking up wins and starting their season as they mean to continue.

Finally, our **U15 Boys** also started their season off with a bang, beating Tolka Rovers away 31 – 51. Coach Stuart was happy with their start to the season and looks forward to the boys continuing to improve over the coming months.
